The Deputy Commissioner,

Mysore District,

M Y S O R E.

In connection of our letters of the 10th and 14th instts. we beg to inform you that we went with the Amildar of Bangalore Taluk on the 12th instant to Varthur in which Hobli, we had heavily advan for cartage and purchase of ragi. The Amildar was kind enough to s for the ryots and explain them that they could easily part with the ragi to us. They promised and even agreed before the Amildar to re serve for themselves the requiree quantity and sell the rest to us at the maximum rate then fixed by Government. They all signed and gave a declaration to that effect, the very next day when I went - there with funds enough to pay them on the spot and remove the good the ryots flately refused to part with their s tock at any cost. T Shanbhogue and patel being quite unable to induce the ryots took - their statements and submitted a report to the Amildar vide, No.19 dated 13-2-19. Now they say that as per publications in the papers "Sampadabhyudaya", "Karnataka" &c., the Dewan Saheb was ples to relax all rules and that the ryots were not bound to part with their grains as directed by the Amildar. We had to return utterly disappointed. We beg to state that we entered into an agreement on the 30th ultimo but a thorough change was made in three days tim

Sir

In returning herewith the enclosures to your No. G.18456/P.P.134-18 of this date, I have the honour to state that as far as I have been able to ascertain Messrs. V. V. and Sons have tried their best to secure the ragi for Gudalu according to their agreement, but failed owing to causes bey their control. Even during the period when the maximum whol rates were in force they were unable to get the ragi at the maximum rates. I am of opinion that they may be released fr their contract and the deposit of 1,000 rupees given by them may be refunded. There is no reason to compensate them for t expenses incurred by them.

I have the honour to be,

Sir,
